### If there is a related planning application, please state the ref. number if known:

No

### If you have any additional information, please provide:

The five K6 phone boxes are listed as a group in a row and are to be located in order together. It was a condition of the Southgate listed building permission for them to be located together. The moving of the K6s and the advertising they now carry each requires consent. The boxes are important heritage assets and should not be treated as moveable furniture.
