

ENFORCEMENT COMPLAINT FORM

Location of suspected breach:

Currently: Newark Street, Brunel Square, Philip Street & St Lawrence Street

Describe the nature of your complaint:

Repainting of listed phone box (Newark Street), separation of listed phone boxes (all listed streets)

Do you know the owner of the building / land? If so, please provide details:

Southgate Partnership?

If there is a related planning application, please state the ref. number if known:

06/02656/LBA had a Condition that no work shall commence until full details are submitted and approved in writing by the LPA of (inter alia) the re-erection of the 5 telephone kiosks.

If you have any additional information, please provide:

The 5 listed phone boxes form a group before they were moved when Southgate was built. They were Conditioned to be resited together on completion of work and 08/04795/COND positioned all 5 in a row in Brunel Square, which the LPA approved on 2 Nov 2009. Since then, without Listed Building Consents they have been moved around at regular intervals, have been subjected to various decorative themes and now one has been painted yellow (very badly, and an unauthorised change from the original red), has had the glass removed and appears generally vandalised. These phone boxes should be restored, relocated together as intended and in the order as described in the Listing entry (see Page 2), and no longer used as toys to be moved around.
