

## ENFORCEMENT COMPLAINT FORM

**Location of suspected breach:**

"Nisbets", 1-3 James Street West, Bath

**Describe the nature of your complaint:**

Unauthorised signage to Grade II listed building

**Do you know the owner of the building / land? If so, please provide details:**

Bath & North East Somerset Council prior to development. Presumed the same?

**If there is a related planning application, please state the ref. number if known:**

Not currently. Previous application for signage was refused (17/00853/AR). No corresponding listed building application was made previously.

**If you have any additional information, please provide:**

Conservation officer was of the opinion that the originally proposed signage was insensitive and harmful. That now installed is visually even worse and highly offensive given the history of the building. Adding the words 'temporary signage' is not mitigation for illegal additions. The signage should be removed forthwith and an application made and approved if the company wishes to operate legally.
