

## ENFORCEMENT COMPLAINT FORM

### Location of suspected breach:

Oldfield Park Junior School, Lymore Terrace, Oldfield Park, Bath

### Describe the nature of your complaint:

The addition and change of signage causes physical and aesthetic harm to the Grade II listed building

### Do you know the owner of the building / land? If so, please provide details:

BANES

### If there is a related planning application, please state the ref. number if known:

N/A

### If you have any additional information, please provide:

The school must be aware that it is listed because previous listed building applications have been submitted. LBC is also required for a change and new signage which affects the character of the listed asset. The offset lettering which has been added in two places – Lymore Terrace and to the significant corner turret (which has caused significant damage due to new drillings with previous drillings and red rawlplugs clearly visible). There are a number of other signs on walls and doors, which is excessive. The school is well known and on a prominent corner and we consider the signage installed to be both physically and aesthetically damaging, as are the visible fixings for the previous signs.

### Your details:

|             |                               |                           |                                                                                               |
