Unauthorised & inappropriate signage, A boards & table & chairs

Do you know the owner of the building / land? If so, please provide details:

Bath & North East Somerset Council

If there is a related planning application, please state the ref. number if known:

None

If you have any additional information, please provide:

Whilst it is appreciated that the building suffered a fire and was restored, this has been complete for some time and we can find no information permitting the current signage, even temporarily. The A boards and table & chairs are a pedestrian hazard on such a narrow corner. The building is Grade I listed. It should be noted that on the other end of the bridge, Thai By The Weir similarly applied for tables and chairs (12/03780/LBA). That application was refused and that refusal was upheld on appeal.
