

ENFORCEMENT COMPLAINT FORM

Location of suspected breach:

2 Quiet Street
Bath BA1 2JS

Describe the nature of your complaint:

Unauthorised physical additions to shopfront (a blind)
Unauthorised signage in an inappropriate colour scheme
Unauthorised pavement clutter

Do you know the owner of the building / land? If so, please provide details:

The building is occupied by "Cake Cafe"

If there is a related planning application, please state the ref. number if known:

15/03372/LBA was given consent for **internal** alterations. The planning Statement includes the words: "5.7 The current shopfront will be maintained with the only alteration relating to signage; the changes will be dealt with in separate applications". There have been no such applications.

If you have any additional information, please provide:

No.2 Quiet Street is Grade II listed with the information "**No.2 retains much original detail with pair of lofty glazed doors with transom light to the left, central doors to deep arched transom light, flanked by large plate glass display windows with decorative arched heads and stone pilasters**"
Had there been applications for external work we would have objected strongly to the newly added shop blind, the colour scheme for the signs, and the unauthorised clutter on the pavement which is already narrow without such additions.
